Praesidium is a leading U.S.-based provider of security services for government entities, businesses, communities, and events. Through our rigorous training programs, Praesidium provides top-tier security officers, including specialists with backgrounds in the military, law enforcement, and intelligence communities.

Inadequate security is one of our nation's largest growing areas of litigation. People expect to be safe, and it's up to our businesses and communities to promote a safe environment. In addition to delivering high-caliber security services, we train our respectful and personable officers to serve as an extension of your customer service team. Every service we provide includes strategies to protect while safely maintaining your positive public image.

Our value-added services are provided at a similar cost as a typical security guard, but Praesidium's elite class of officers provides a level of expertise and surveillance that other companies simply can't deliver. Choose Praesidium to ensure your security investment yields a positive return.

LEADING U.S. BASED PROVIDER OF *Security Services*

Why Choose PRAESIDIUM?

UNPARALLELED EXPERIENCE

Outranking our competitors in both experience and reputation.

- As opposed to typical security guards, Praesidium provides the highest caliber Patrol Officers.
- We offer top-tier backgrounds in Law Enforcement, Military, and Special Operations.
- You'll reap the benefits of experienced Officers with Customer Service training.

DIGNIFIED REPRESENTATION

Looking and acting professional to provide the best deterrent money can buy.

- Praesidium recognizes that the first impression of your business may be our uniformed Officer.
- Our Military Dress Code is stressed through training and frequently inspected on-the-job.
- You'll enjoy polite Officers fluent in dialogue techniques to promote a comfortable environment.
- All of our patrol vehicles are meticulously maintained and are kept looking sharp at all times.

PREMIUM SERVICE QUALITY

Performing evaluations and inspections to enhance operations.

- Praesidium evaluates Officers to ensure they present themselves in a respectable manner.
- We covertly send out agents to inspect and interact with Officers and report to Supervisors.
- You'll rest assured knowing that we take swift action in training and addressing concerns.

TRUSTED REPUTATION

Providing truth and integrity in security services.

- On average, we pay Officers 10% more than our competitors--WITHOUT inflating your costs.
- Competitive pay allows us to hire and RETAIN the best personnel in the industry.
- All of our Officers are legally paid – we DON'T take 1099 shortcuts to gain extra profits.
- To protect you and all parties, we carry five times more insurance than required by law.
